## Ignite Internships for Juniors

---

Attention parents and guardians of Ignite juniors: Please remind your junior scholar to meet with Mr. Bryson before the end of March so that he can interview them for the growing number of businesses and organization that Ignite partners with for internships.

An appointment with Mr. Bryson is not necessary. Your scholar can catch him in his office at any time he is on campus.

**For scholars in Biomedical Sciences and Allied Health, UC Health is offering the following internship opportunities, or tracks, in its departments:**

- **UC Medical Center Respiratory. Laboratory, Rehabilitation, Radiology and Patient Care**

**The deadline for these applications is fast-approaching, so see Mr. Bryson immediately to apply.**

For Computer Science, Engineering, Education, and Design scholars, Rise-Up Academies is offering the following internship opportunities:

- Independent Soccer Club website/mobile app design internship
- Eastern Kentucky University mobile app design internship
- Camp Ernst Middle School student educator internship with technology focus
- Florence Elementary School student educator internship with audio/video or media focus
- Kelly Elementary School student educator with art/technology focus
- Kelly Elementary School student educator with reading/math focus

These applications are live, and your scholar may see Mr. Bryson to apply for these opportunities and many others. Please remind your scholar that a completed application or an interview with an internship partner is not an internship guarantee, but Mr. Bryson will work diligently with your scholars to secure an internship for next year.

## From the Nurse's Office

---

If your scholar is not feeling well, please check their temperature before you send them to school. If they have a temperature of 100.4 or higher, please do not send your scholar to school. Your scholar may return to school when they have been fever free for 24 hours without the use of fever reducing medication.

Be well,

Nurse Lori

# Miscellaneous

## REVISED OR ADDED INFORMATION IS IN BOLD

- Scholars are not permitted to bring outside food in (other than bringing their lunch to school, or a classroom lunch activity, which is led by their teacher). If they have to eat lunch outside of the normal lunchtime, they are permitted to eat in the office.
- Please make yourself aware of activities going on at your scholar's home high school. We have scholars from many different home high schools, which makes it very hard to know what's going on at each.
- If your scholar is getting their drivers permit, a "No Pass No Drive" form needs to be filled out. You can get those from your scholar's home high school.
- Please remember Ignite scholars are not permitted to ride a different bus home with another scholar.
- If your scholar is out for an EHO, they are not to be in the building to catch a ride with another scholar.
- Access the Ignite Family Dashboard [here](#) for lots of Ignite information.  
RECENTLY ADDED: Ignite Guest Permission Form- we have one form to use for dances, or any Ignite event that guests require permission to attend (located in the "other important forms" link).
- You can view the Ignite testing calendar [here](#).
- Parent or doctor excuse notes can be emailed to [Heatherm.Johnson@boone.kyschools.us](mailto:Heatherm.Johnson@boone.kyschools.us)
- If your scholar drives to school, and does not have a parking pass, they **must** have one visible in their cars to drive to Ignite. Parking passes are free, and available in the office.
- If you would like to help our PTISO with school events, please email [igniteptso@gmail.com](mailto:igniteptso@gmail.com). Also, check out the PTISO [Instagram](#) and [Facebook](#) pages.
- Parents/guardians, please remember if you are picking up your scholar from Ignite or their home school, you need to go into school with your id and sign them out.
- Please note- scholars are not to bring blankets to Ignite.
- "New Dual Credit Student" information sheet was recently added to the Ignite Family Dashboard, and the Student Dashboard.
