KCSD NKU Young Scholars Academy

Attention Kenton County Sophomores:

The Young Scholars Academy is a competitive program for high achieving juniors. This innovative program, a partnership between Northern Kentucky University (NKU) and the Kenton County School District (KCSD), puts students ahead on the path to meeting their education goals.

This full-time collegiate experience lets students select between two pathways—a STEM or non-STEM focus—with the potential to achieve a certification of completion (60 credit hours or more) or an Associate of Arts in Integrative Studies.
