

Freshman Parent Night

Hello Freshman Parents!

We know that your night was canceled in the past, and we want to make it up to you! Ignite is hosting a Parent Night for freshman parents who want to see Ignite. On Wednesday, March 24th, Ignite will open it's doors to all freshman and their parents/guardians to tour Ignite. Our building will be open from 4:00pm - 5:30pm for your scholar to take you on a tour. This will be an open time where you can come and go as you please.

In addition, because scholars can take dual credit courses starting their 10th grade year, we will have 2 sessions about dual credit.

These sessions will be from 4:00pm - 4:30pm and 5:00pm - 5:30pm and will include a brief presentation followed by a question answer session. This will be repeat information from the dual credit virtual parent meetings last month.

Please note that social distancing must be observed and masks will be required. Temperatures will be taken at the door. Parents wishing to conference with teachers are asked to make an appointment with the teacher for a later date and time.

We can't wait to see you!

YouScience

Exciting news!

Ignite Scholars will be taking the YouScience assessment next quarter at Ignite.

We believe YouScience is a great way for scholars to learn more about themselves, explore high-demand careers that are a good fit for them, and gain a better understanding of how their unique talents are needed in the economy.

There will be more detailed information to come!
