

Congratulations to the FIRST graduating class at
The Ignite Institute!
Seniors, we are so proud of you!

Teacher Appreciation Week

May 4th – May 8th is Teacher Appreciation Week!

We want to thank ALL teachers for your dedication, passion, hard work, and ALL you do for students! We have a special place in our hearts for our teachers here at IGNITE. We appreciate how they go above and beyond, especially during these more difficult times. We are very thankful for them!

DON'T FORGET TO THANK A TEACHER!

Dual Credit

[Don't forget to check out our dual credit website!](#)

Dual credit scholars should keep an eye on their Boone student email. Communication about enrollment for summer dual credit courses will be sent via Boone email. Scholars will be notified of fall production day course enrollment via email on May 22. Scholars have previously signed up with preferences, so this communication will include confirmation of courses they have been enrolled in and should expect to begin when school starts.

EdReady testing is currently on pause from Gateway. Scholars will be allowed to enroll based on GPA, but should expect to take EdReady in the future.

Edgenuity/Summer School

We wanted to pass along some information about Edgenuity, and a little bit of info about summer school.

Edgenuity:

We want to remind all scholars who have classes in Edgenuity that the deadline to complete your courses is May 15th.

Summer School:

The only classes we will offer this summer will be Health, PE and Fine Arts. Summer break is a great opportunity for scholars to successfully complete these courses online. The alternative is to take these courses in addition to their regular school schedule. We will send out more information about times, cost and how to sign up soon.

Infinite Campus

Parents- Just a reminder that grades are still being put in Infinite Campus each Monday, and you can check grades for your scholar at any time. If you have not set up a parent portal for Ignite yet, please click on this link:

<https://kyede13.infinitecampus.org/campus/portal/atc.jsp>

Please remember you can't use the Infinite Campus portal you might have had through Kenton, Boone, or Walton Verona schools previously. You must click on the link provided.

If you having trouble logging in you may call the office during normal business hours (8:00 am – 3:30 pm) and someone will be glad to help!

From the First Aid office

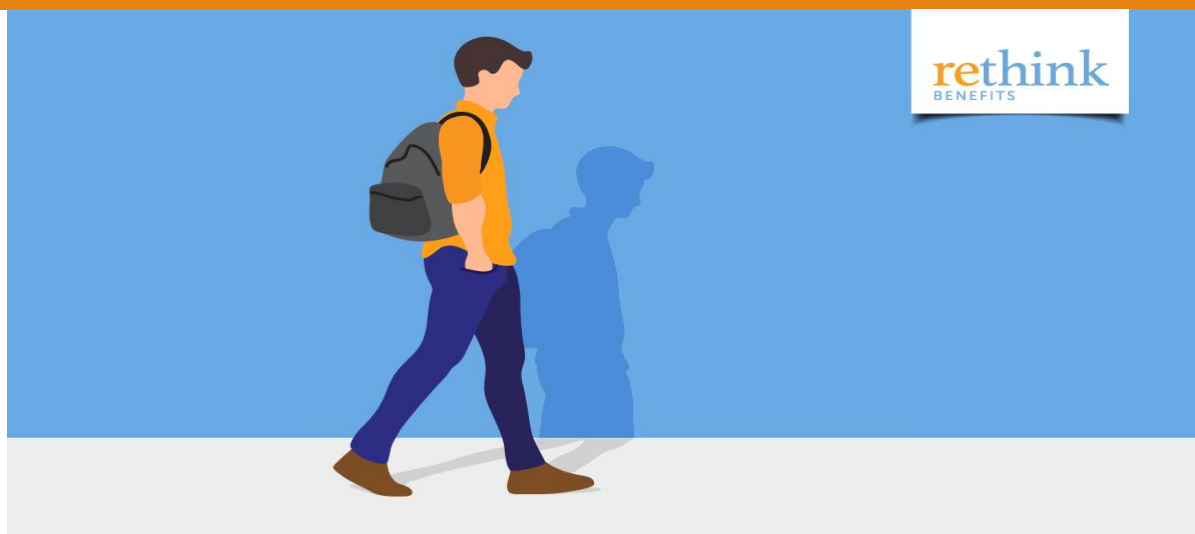

This is a message for any scholar at Ignite that has medication in the nurse's office - pickup days will be Wednesday, May 13 from 7:30a-12:30p and Thursday, May 14 from 7:30a-12:30p. This will be a little different than in years past. We will have the medications in plastic bags with the student's name. They will be kept in the vestibule at Ignite's front office entrance. As you pull up, someone will ask you what student you are picking up for or even better - hold up a sign in the car window with student name. You will need to show your ID. We will then bring bag out to car. Any medication left after Thursday, May 14 will be disposed of per school policy. If you have any questions, please email me at: lori.loschiavo@boone.kyschools.us.

Thanks for your cooperation and have a great summer!

"The end of school but not the end of caring". If you or your scholar have any concerns or questions now or over the summer regarding health related issues, please don't hesitate to e-mail me. I will be checking e-mail regularly.

Lori Loschiavo RN, BSN-School Nurse

From the Principals

We did it! The first year of the Ignite Institute is a huge success! Thank you to all scholars, educators, parents, and business partners for your hard work and dedication. We are already working hard on next year and CAN'T WAIT TO SEE ALL OF YOU!

To our scholars, I hope we made you feel loved, cared about, and believed in. You are the soul of our school and we cherish each and every one of you.

Have a great summer!

Dr. Whitis

Contact Us

As much as we'd love to see you, we are instructed to not allow anyone in the building until late July/ early August. If something was left in the building, you will be able to pick it up then.
