
Happy Valentine's Day from the Staff at the Ignite Institute!

National Counselors Week

February 3-7 was National Counselors Week. Our counselors, Amanda Bardo and Michelle Light, showed their appreciation for the teachers and staff at Ignite all week by sending "Counselor tips," words of encouragement, etc, and distributing snacks and drinks from their Counselor Cart! We appreciate all that you do Amanda and Michelle!

ACT

All Ignite 10th and 11th grade students will be taking the ACT at no cost.

- 11th grade students will be taking it online at Ignite on March 10
- 10th grade Kenton students will be taking it on paper at their home high school on March 24
- 10th grade Boone and Walton Verona students will be taking it online at Ignite on April 22

In preparation for these assessments, students may use the following resources:

- For online testing, students should practice using the TestNav site: <https://download.testnav.com/>
- Free ACT Academy: <https://academy.act.org/>
- Free act ACT Test: https://pages.act.org/free-practice-act-test.html?_ga=2.137997305.898065573.1580924551-1733320407.1566232216

Spirit Wear

The link to order spirit wear is open once again. There are a few new items with a “distressed” logo. **The deadline to order is Feb 23, and delivery date is March 16.**

There will be one more opportunity after this to order and receive before the end of the school year.

Blood Drive

On February 14 Ignite partnered with Hoxworth for Ignite’s first annual blood drive!

We had a group of scholars who organized everything with Hoxworth Blood Center. They advertised it, and got every donor spot filled. They did an amazing job!

Thank you to all the scholars and staff who donated!

Absent Notes

Should you be absent from Ignite for any reason, turn your parent or doctor’s note in at the front office at Ignite.

Please make sure your notes are dated and include your **full name, home high school**, and the dates you were absent or tardy.

All notes should be turned in within three days of your return to school.

Excessive unexcused absences could result in losing a spot at Ignite for next school year, 2020-2021.

Thank you!!

School Calendar Conflicts

Just a reminder...For days that are different on the Boone and Kenton Calendars (NOT SNOW DAYS):

As you may know, there are a few dates where Boone and Kenton schedules do not match. On February 3, 2020, March 20, 2020, and April 13, 2020, Boone County is in session, and Kenton County is not. The plan is to follow Boone County's school calendar completely. For any days that Boone is in session and Kenton is not, we will follow the same process as we did the first week of school where Boone County started earlier.

Kenton County scholars will need to get transportation to their home high schools and a bus will take them to Ignite, and back to their home high schools at the end of the day. Parents will need to transport to and from their home high schools on those days.

Ignite Snow Day Plan:

For snow days, if Boone County Schools cancel for snow, Kenton County scholars and teachers will not report to school regardless if Kenton is open or closed. For safety reasons, if Kenton cancels for snow, and Boone does not, Kenton County scholars and teachers will not go. Boone County teachers and scholars will still report. **(This is the only time Kenton County scholars and teachers will not be following Boone's calendar).**

If Boone dismisses early, Kenton County scholars will go back to their home high schools for the remainder of the day.

	I am a Kenton scholar	I am a Boone scholar	I am a Walton-Verona scholar
Kenton County is closed	Snow day--No school	I go to school	I go to school
Boone County is closed	Snow day--No school	Snow day--No school	Snow day--No school
Walton-Verona is closed	I go to school	I go to school	Snow day--No school

Parking Lot Safety - Reminder

As the Ignite Institute School Resource Officer I would like to remind all the parents and students that drive through the campus at Ignite of the importance of maintaining safety while operating your vehicle on campus. I have been made aware of vehicles driving at unsafe speeds through the parking lot and student drop off area while students are making their way into the building. I would like to remind everyone that the speed limit in the parking lots is 15 MPH. Please be aware that when you are dropping off students in front of the school there are students who are crossing the driveway from the parking lot to the front doors. Please use caution while driving on campus, and remember that only buses should use the bus entrance on the side of the building.

Sincerely.

Deputy Don Taylor
Boone County Sheriff's Department
