

Ignite Institute Insider

September 2019

Hello!

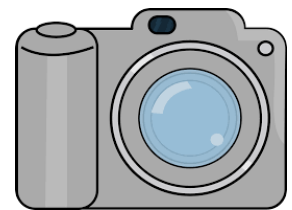

We've had a great start to the school year! Thank you for your continued support as we've worked toward creating educational experiences and growth opportunities for our scholars. We have an incredible group of scholars and it wouldn't be possible without them!

Picture Day

Picture day at Ignite will be Monday, September 30. Information will be coming home with your scholar from Lifetouch. Picture make up day is Friday, Nov 1.

All scholars' pictures will also be sent to their home high school to be put in their yearbooks

Parent Meeting / Canvas Training

Mark your calendars!

There will be a parent meeting on Wednesday, September 25, from 5:00 pm – 6:30 pm for training on the Canvas platform and school curriculum.

Spirit Wear

Friday, Sept 6 is the next deadline to order Ignite Spirit Wear. Please go to www.igniteinstitute.org under the Information tab, and click on Purchase Spirit Wear to order.

Please allow a few weeks for these orders to be processed. Ordering will open up again in October.

Homecoming

It's that time of year again, and Homecoming is coming up soon!

We are asking that scholars check with their home high school websites, twitter pages, Facebook, and other social media for information on Homecoming, and other events sponsored by the home high school.

Infinite Campus

The Ignite Institute Infinite Campus parent and scholar portals are different than Infinite Campus portals you may have used from Boone or Kenton Counties. If you need access and have not yet set up your Ignite Infinite Campus parent portal, please have your scholar come to the front office to obtain your 32 digit Activation Key code. (We are not able to give this information over the phone or email)

- Then go to <https://kyede13.infinitecampus.org/campus/portal/atc.jsp>
- Click Campus Parent and follow the instructions.

For scholars who may need to still set this up, from the same website, click on Campus Student, and follow the instructions.

Census Verification Forms

Your scholar will be bringing home Census Verification Forms. Please review the information, make any corrections needed, and sign the form. Your scholar will need to return these to the front office as soon as possible.

Robotics Open House

PIBOTICS OPEN HOUSE

Monday, September 9th, 7:00-8:00 pm
In the Engineering area

Interested in a competitive robotics team at the
Ignite Institute?

Come to the Robotics Meet and Greet
for any Ignite scholar interested in
learning about or joining the team!
